## HOW TO DONATE YOUR BIRTHDAY

---

- Register for free on [project.cupids.org](https://project.cupids.org).
- Tell your story on your fundraising page — make it personal.
- Use the social media images we provide to post your fundraising URL with a status update on social media.
- Use the email templates we provide and send one with your own story to friends, family members, co-workers to ask for donations.
- Thank people for their donation on social media by tagging them in a post.
