

# *Project:* CUPID

## HOW TO HOST A TRIVIA NIGHT

---

- Register for free on [project.cupids.org](http://project.cupids.org).
- Decide when and where. Oftentimes, your favorite local bar or restaurant might already host a trivia night once a week. Connect with them to see about hosting a night for charity. Negotiate food and drink specials with the venue. Sometimes they will donate all of the food or alcohol proceeds to your project...or both!
- Charge a flat fee per person at the door; require all participants to join with a team of 3 or more people.
- Encourage competition! Raffle off prizes for the team who wins the most trivia rounds.
- Take photos, post them on social media, and show everyone who didn't come how much fun trivia for charity can be!
